MEVOTECH

SUPREME OUTER TIE ROD ENDS

Superior Durability For Maximum Uptime
Engineered for increased durability under all conditions, Mevotech Supreme Outer Tie Rod Ends feature upgrades to excel in the most demanding operating environments. Plus innovative Labor Savers, from the longer wrench flats to the additional hardware, make your installations faster and easier.

Sintered Metal Strength
Get longer part life and extra durability with tough, self-lubricating sintered bearings.

More Material
Longer wrench flat for easier installation and enhanced forging for increased stiffness and strength.

Optimal Performance
Larger diameter ball pin optimizes pressure distribution.

Corrosion Protection
Prevent rust build up and increase longevity with long lasting anti-corrosion surface treatment.

High-Performance Outer Tie Rod Ends that are Built to Last
Designed for fast and easy installation and rigorously tested to ensure real-life durability and performance, Supreme outer tie rod ends deliver strength and performance where it counts.

Part of a Job Well Done

Supreme outer tie rod ends are built to last, no matter how demanding you are on your vehicle. With engineered component upgrades, Supreme outer tie rod ends deliver increased durability and part life for high-usage commercial and passenger vehicles.

Labor Saver Advantages
Save time and money with everything you need included right in the box.

X-Factor Upgrades
Engineered enhancements and upgrades that maximize durability and performance.

Innovation You Can Trust
Make Mevotech innovation your advantage with over 12 patented chassis technologies and counting.

Quality You Can Count On
Rigorous testing means Mevotech parts outperform time after time.
