MEVOTECH

SUPREME WHEEL HUB ASSEMBLIES

Superior Durability For Maximum Uptime
Mevotech Supreme Wheel Hub Assemblies are engineered in-house, with application specific upgrades to excel in the most demanding operating environments. Plus innovative Labor Savers, from the additional hardware to installation torque specs, make your installations faster and easier.

Keep Water & Debris Out
Multi-lipped seals provide a barrier against road contaminants and moisture.

Optimized Performance
High-grade rolling elements and precision polished raceways minimize resistance and noise.

Corrosion Protection
Anti-corrosion coated wheel studs make servicing related components easier.

Easy To Install
Everything you need for fast installation is included in the box.

High-Performance Hub Assemblies that are Built to Last
Designed for fast and easy installation and rigorously tested to ensure real-life durability and performance, Supreme wheel hub assemblies deliver strength and performance where it counts.

Part of a Job Well Done

Supreme wheel hub assemblies are built to last, no matter how demanding you are on your vehicle. With engineered component upgrades, Supreme hub assemblies deliver increased durability and part life for high-usage commercial and passenger vehicles.

Labor Saver Advantages
Save time and money with everything you need included right in the box.

X-Factor Upgrades
Engineered enhancements and upgrades that maximize durability and performance.

Innovation You Can Trust
Make Mevotech innovation your advantage with over 12 patented chassis technologies and counting.

Quality You Can Count On
Rigorous testing means Mevotech parts outperform time after time.
