## ORIGINAL GRADE CONTROL ARMS

**DESIGNED**  
TO MEET OR EXCEED  
OE SPECS FOR FIT,  
FORM, AND FUNCTION

### OE-Grade Performance Backed By Design Excellence

Designed for regular commuters and routine drivers, Original Grade Control Arms restore OE performance, handling and ride. Plus, pre-assembled parts and installation hardware make your auto repairs faster and easier.

#### OE Performance

Precision designed to restore suspension geometry and ride.

#### Faster Installation

Save time with pre-assembled parts and installation hardware.

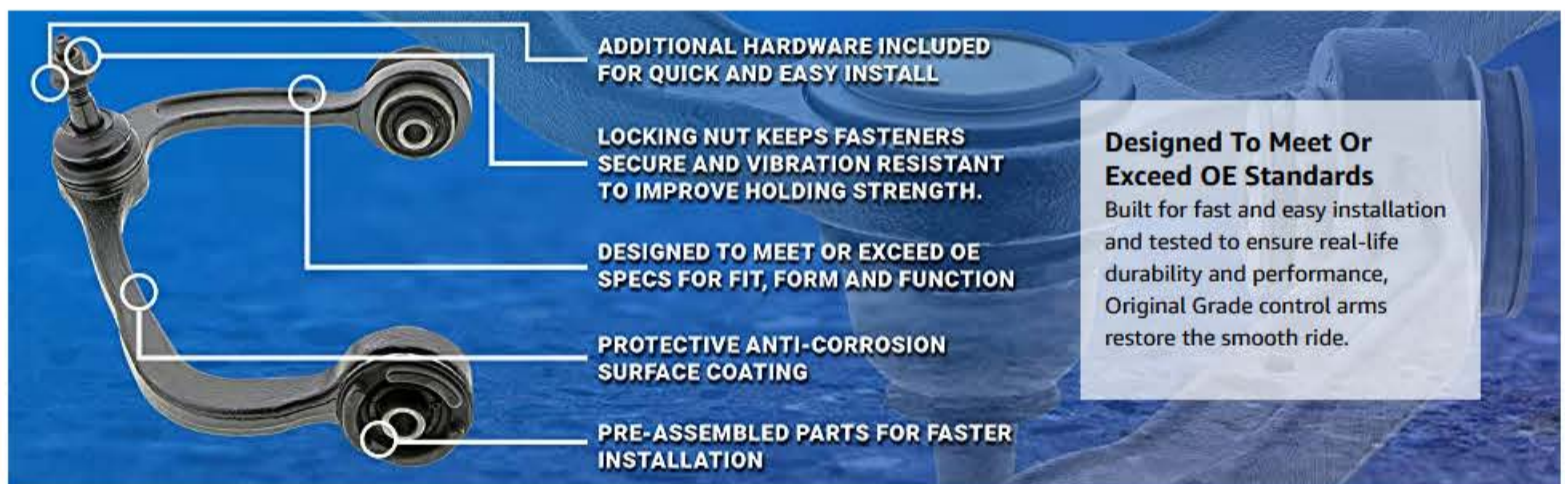

#### High Quality Materials

High quality materials are used on all components for OE performance and life.

#### Corrosion Protection

Prevent rust build up and increase longevity with long lasting anti-corrosion surface treatment.

### Part of a Job Well Done

Original Grade control arms are built to last, renewing fatigued chassis and keeping vehicles on the road longer.

#### Labor Saver Advantages

Simplify installation with additional hardware included in the box.

#### OE Design

An exact match for original equipment parts with the go-to aftermarket choice for quality performance.

#### Innovation You Can Trust

Use Mevotech innovation to your advantage with over 12 proprietary technologies and counting.

#### Quality You Can Count On

Rigorous testing means Mevotech parts outperform time after time.
