# CHEVROLET AND NISSAN COMPACT COMMERCIAL VAN ENGINEERED AND PATENTED SOLUTIONS

*2018-2015*
*Chevrolet City Express*

*2021-2013*
*Nissan NV200*

*Hardware included for complete install*

**Mevotech TTX utilizes patented technology with innovative and durable front and wheel end solutions for Chevrolet and Nissan compact cargo and passenger vans.**

- Patented greaseable self-lubricating sintered bearings optimize part life under all service conditions
- Unique installations aids and fastening hardware are included for a complete and trouble-free installation
- Ultimate Engineering- the most durable designs for working and fleet vehicles

# ULTIMATE ENGINEERING

# CHEVROLET AND NISSAN COMPACT COMMERCIAL VAN

**Mevotech TTX parts feature patented technologies and application-specific upgrades for more durable parts:**

- Patented greaseable, self-lubricating sintered Dynamic Control Bearing™ optimizes performance and durability under high heat and high loads
- Patented Locking Dust Boot seals out contaminants and protects internals
- Improved forging and bushing profiles enhance strength by reducing flex and loading on components

## BALL JOINT

**TXMS30512 - FRONT LOWER**
*2018-2015 Chevrolet City Express*
*2020-2013 Nissan NV200*

## STABILIZER BAR LINK

**TXMS308116- FRONT**
*2018-2015 Chevrolet City Express*
*2020-2013 Nissan NV200*

## CONTROL ARMS

**CTXMS301124 - FRONT LOWER LEFT**
*2018-2015 Chevrolet City Express*
*2020-2013 Nissan NV200*

**CTXMS301125 - FRONT LOWER RIGHT**
*2018-2015 Chevrolet City Express*
*2020-2013 Nissan NV200*

## TIE ROD ENDS

**TXMS30624 /TXMS30625 – FRONT LEFT/RIGHT OUTER**
*2018-2015 Chevrolet City Express*
*2021-2013 Nissan NV200*

## WHEEL HUB ASSEMBLY

**TXF30319- FRONT**
*2018-2015 Chevrolet City Express*
*2021-2013 Nissan NV200*

TTX

**Parts also feature:**

- Patented self-lubricating greaseable sintered bearings
- Patented multi-lipped dust boot designs
- Repel-TEK™ anti-corrosion coatings
- Exclusive hex forged construction
- EASY-SNAP™ tool-less cotter pins
- Hardware and install aids in the box
