MEVOTECH INSIDER
Service Tips and Best Practices

2004-1999 Ford F-250/F-350/F-450/F-550 SD Track Bar Identification

Brand	Supreme	Product	Track Bar	Date	October 2021
Part Number(s)	CMS401136/CMS401138				

Due to factory production variances, specifically a design change beginning early MY1999, the applications below may be equipped with one of two visually similar but distinct track bars, distinguished by differently sized bolt eyelets.

Application(s)
2005-2000 Ford Excursion
2004-1999 Ford F-250 Super Duty
2004-1999 Ford F-350 Super Duty
2004-1999 Ford F-450 Super Duty
2004-1999 Ford F-550 Super Duty

When ordering a replacement track bar for a MY1999 vehicle, it is recommended that the Professional Technician verify which type is required, as the two types are not interchangeable. This will help to ensure a frustration-free repair outcome.

To determine the correct track bar type, follow the inspection procedure below

Production Date To 3/21/1999

- If the vehicle was produced up to 3/21/1999, the bolt eyelet will feature a diameter of 15.5 mm. **See Figure 1**.
- Use Mevotech Supreme replacement track bar with the part number CMS401138.

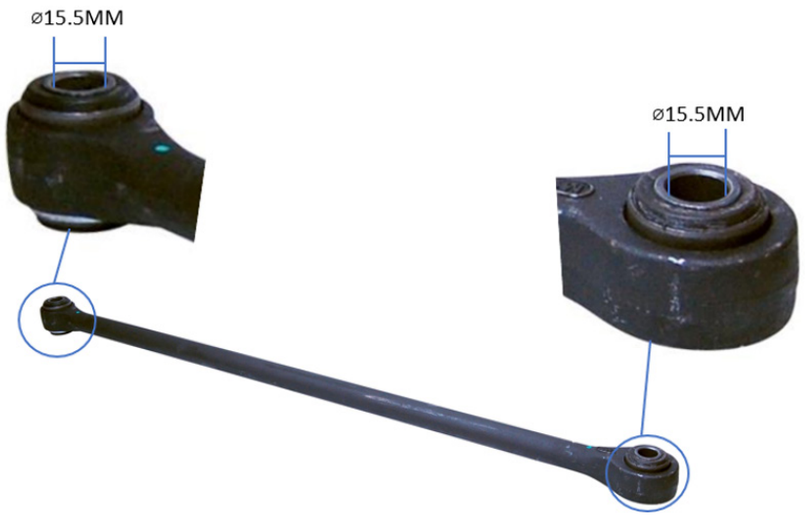

Figure 1. Track bar with 15.5 mm diameter bolt eyelets
