Increased Compatibility: 2015-2010 Chevrolet Camaro Rear Lower Control Arm

Brand	Supreme	Product	Control Arms	Date	July 2021
Part Number(s)	CMS501232				

The original version of the rear control arm for the 2015-2010 Chevrolet Camaro has been revised by the OEM to accommodate mounting points for 2 different styles of rear stabilizer links. Depending on the vehicle production date and factory-equipped options, the vehicle may feature a stabilizer link mounted inboard or outboard of the rear strut.

Application(s)
2015-2010 Chevrolet Camaro

Mevotech Supreme control arm CMS501232 is designed to match the stabilizer link mounting points of the latest version of the OEM arm (PN: 20942237), featuring the correct mounting points for both rear stabilizer link styles and reducing potential repair frustration for the Professional Technician. **See Figures 1 and 2**.
