MEVOTECH X-FACTOR BULLETIN

Products Engineered for the Professional Technician

Design Improvement: 2004-2000 Dodge Dakota and 2003-2000 Dodge Durango 4WD Front Upper Control Arms

Brand	Supreme	Product	Control Arm	Date	August 2022
Part Number(s)	CMS25112/CMS25113				

The OEM (PN: 5166387AA/5166386AA and various others) front upper control arms for the below listed application(s) utilize a standard stamped steel profile.

Application(s)
2004-2000 Dodge Dakota 4WD
2003-2000 Dodge Durango 4WD

Mevotech Supreme front upper control arms CMS25112 and CMS25113 are engineered with an improved stamping profile, featuring an additional welded brace. This bracing adds rigidity and strength to the assembly as the vehicle is motion, reducing stress on the component. Additionally, the ball joint utilizes a greaseable self-lubricating sintered bearing for improved part service life. All mounting hardware is coated with a protective anti-corrosion treatment for increased part service life. **See Figure 1**.

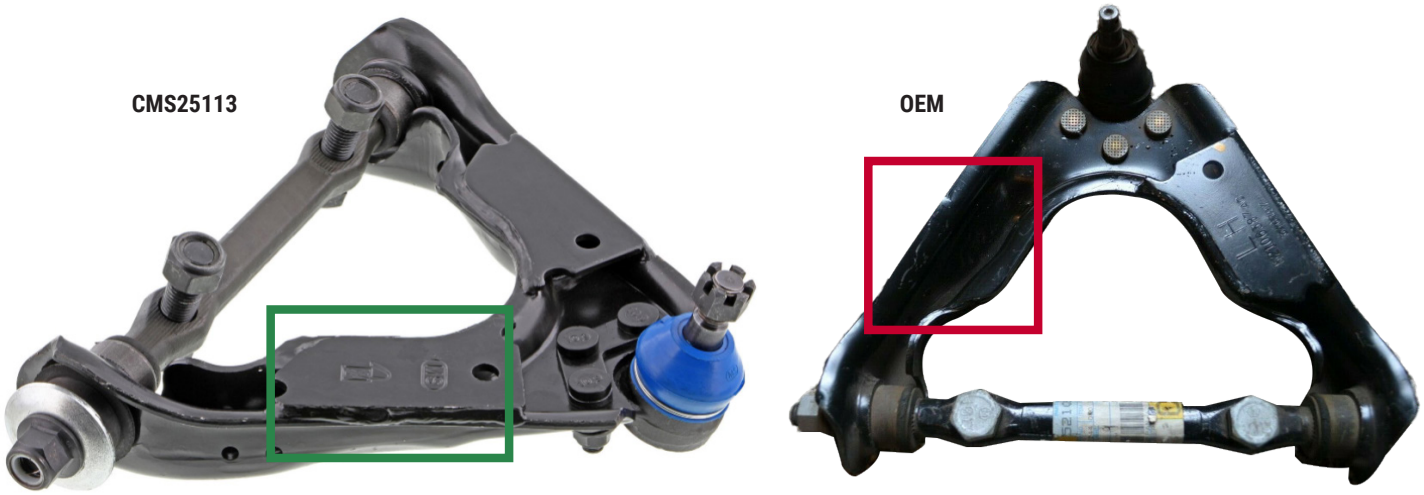

Figure 1. Mevotech Supreme front upper control arm CMS25113 with improved stamping profile featuring additional bracing (left) vs OEM design (right)
