MEVOTECH X-FACTOR BULLETIN

Products Engineered for the Professional Technician

Design Improvement: 2022-2005 Ford F-250/F-350/ F-450/F-550 Super Duty Truck Front Right Outer Tie Rod

Brand	Supreme	Product	Tie Rod End	Date	February 2023
Part Number(s)	MS40622				

The OEM (including PNs: 5C3Z3A131HA/7C3Z3A131H/MEOE203) and other OE-style front right outer tie rod ends for the applications below utilize a non-greaseable plastic bearing and the original forging profile.

Application(s)

2022-2005 Ford F-250 Super Duty
2021-2005 Ford F-350 Super Duty
2010-2005 Ford F-450 Super Duty
2010-2005 Ford F-550 Super Duty

Mevotech Supreme front right outer tie rod end MS40622 is engineered with an improved forging profile which features a larger wrench flat surface. This part utilizes greaseable, self-lubricating upper and lower sintered bearings for extended part service life. Additionally, the larger wrench flat area and anti-corrosion threaded end improve ease of future alignment service. New hardware is included for a complete install. **See Figure 1**.

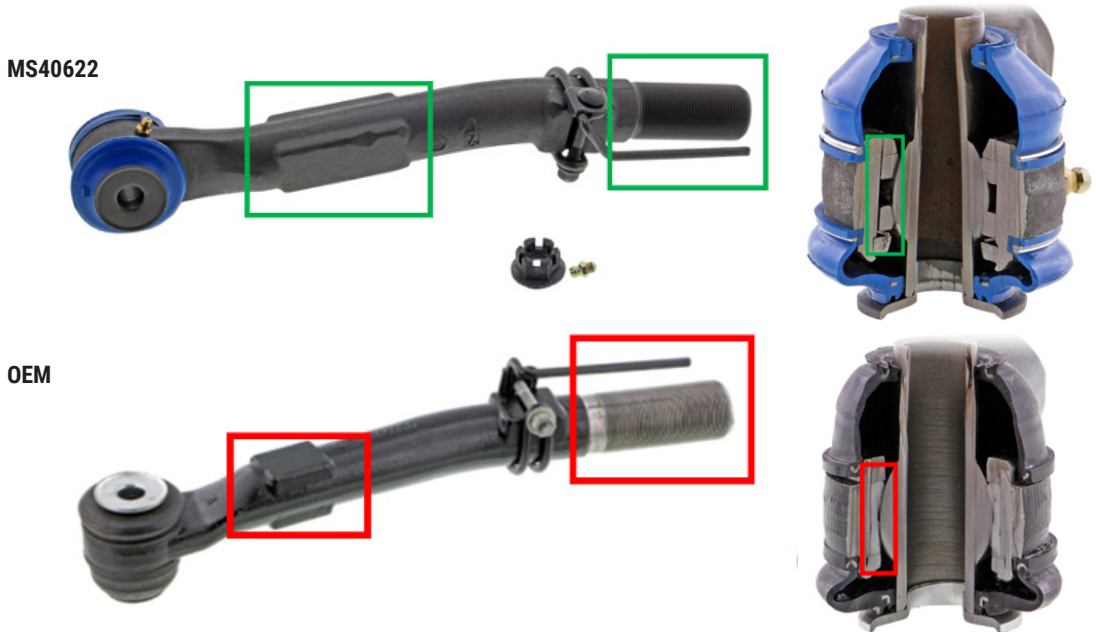

Figure 1. Mevotech Supreme front right outer tie rod end MS40622 with improved forging profile, featuring greaseable, self-lubricating upper and lower sintered bearings, full anti-corrosion coating and included hardware (top) vs OEM with sealed plastic bearing, reduced forging profile and uncoated finish on threaded end (bottom)
