MEVOTECH X-FACTOR BULLETIN

Products Engineered for the Professional Technician

Design Improvement: 2022-2014 RAM ProMaster 1500/2500/3500 Front Lower Control Arms

Brand	Supreme	Product	Control Arm	Date	March 2023
Part Number(s)	CMS251130/CMS251131				

The OEM (PNs: 68157802AA/68157803AA) front lower control arms for the applications below are designed with standard bushing profile.

Application(s)
2022-2014 RAM ProMaster 1500
2022-2014 RAM ProMaster 2500
2022-2014 RAM ProMaster 3500
2018-2017 RAM ProMaster Rapid

Mevotech Supreme front lower control arms CMS251130 and CMS251131 are engineered with a solid bushing, with voids and recesses filled-in. This adds strength to the bushing component and reduces the potential of tearing and cracking. This improves durability, especially for an application which is often used as a working vehicle. Additionally, the entire arm is anti-corrosion coated. **See Figure 1**.

Figure 1. Mevotech Supreme CMS251130 front lower control arm with improved bushing design (left) vs OEM standard bushing (right)
