MEVOTECH X-FACTOR BULLETIN

Products Engineered for the Professional Technician

Labor Saver™: 2019-2010 Lexus SUV Front Inner Tie Rod End

Brand	Supreme	Product	Tie Rod End	Date	February 2023
Part Number(s)	MS86744				

As of this document's publication date, a front inner tie rod end is not available from the OEM as a separate replacement component for the applications and model years listed below. As such, to renew an out-of-specification inner tie rod end, the OEM repair method requires replacing the entire steering rack.

Mevotech Supreme, however, offers a replacement front inner tie rod end MS86744, to provide the Professional Technician with an alternative repair method to the OEM's, reducing overall installation time, cost and complexity.

Application(s)
2019-2010 Lexus RX350
2019-2018 Lexus RX350L
2019-2010 Lexus RX450h
2019-2018 Lexus RX450hL

Additionally, Mevotech Supreme MS86744 features an anti-corrosion coated jam nut, pre-applied thread locking compound, replacement dust boot clamps and steering rack spacer in the included hardware package, for a frustration-free repair. **See Figure 1**.

Figure 1. Mevotech Supreme front inner tie rod end MS86744 with included hardware (top) vs OEM steering rack (bottom)
