MEVOTECH X-FACTOR BULLETIN

Products Engineered for the Professional Technician

Major Design Improvement: 2021-2016 WK2 Jeep and Dodge SUV Front Upper Control Arms

Brand	Supreme	Product	Control Arms	Date	April 2021
Part Number(s)	CMS251235/CMS251236				

The OEM (PN#s: 68282329AA and 68282328AA and various others) and other OE-style front upper control arms for the below listed application(s) utilize a stamped steel design.

Application
2016-2021 Dodge Durango
2016-2021 Jeep Grand Cherokee

Mevotech Supreme front upper control arms CMS251235 and CMS251236 are engineered with an improved stamping profile. This improved profile features supplementary bracing to both the control arm frame and bushing support. This adds rigidity and strength to the assembly and reduces flex while the vehicle is in motion. Furthermore, Mevotech Supreme control arms CMS251235 and CMS251236 are characterized by greaseable self-lubricating upper and lower sintered metal bearings for increased part service life. New hardware is included for a complete install. **See Figure 1.**

CMS251235

OE-STYLE

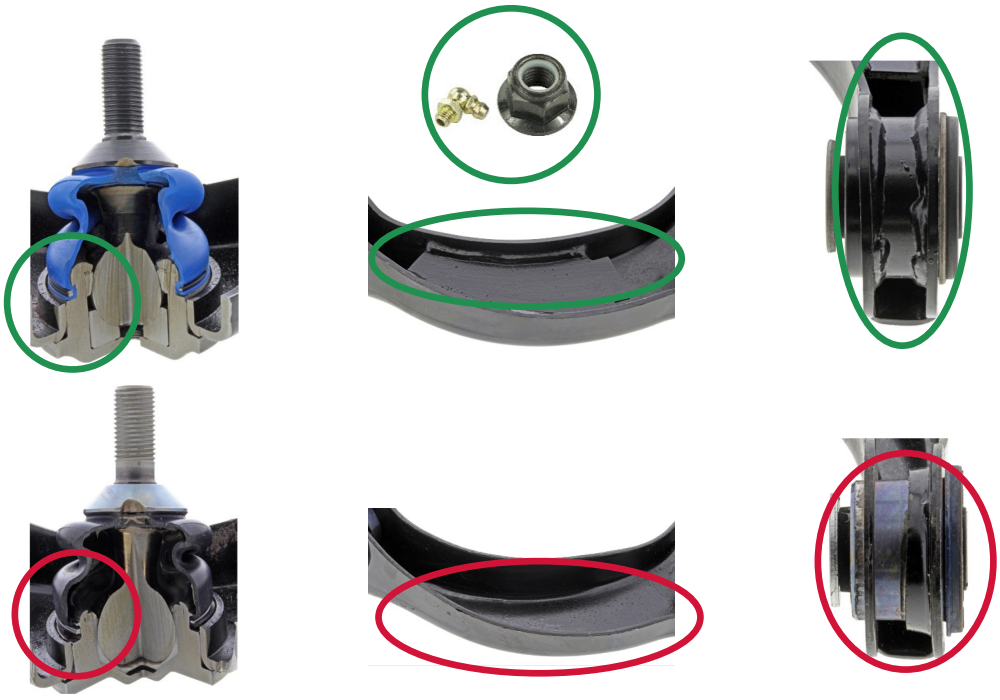

Figure 1. Mevotech Supreme control arm CMS251235 with improved stampedsteel profile featuring greaseable self-lubricating sintered upper and lower metal bearings, additional frame and bushing bracing and included hardware (top) vs OEM design and non-serviceable ball joint (bottom)
