Mevotech Supreme replacement front lower forward control arm assemblies CMS861113 and CMS861114 incorporate a pre-fitted ball joint, reducing installation time and providing more value in a repair option. Additionally, the ball joint features a greaseable self-lubricating sintered bearing and the bushing voids are filled in for increased part service life. Plus, new anti-corrosion coated hardware is included for a complete install. **See Figure 1**.
