The OEM (PN: 84451421) rear stabilizer bar link for the application(s) listed below is designed with a plastic body.

Application(s)

2022-2016 Chevrolet Malibu

2020-2018 Buick Regal Sportback FWD

Mevotech Supreme replacement rear stabilizer bar link MS508186 is engineered with a solid steel connecting rod and bushing housings. This increases component strength and reduces flex and stress on the part as the vehicle is in motion. Additionally, the entire assembly is anti-corrosion coated for longer service life. **See Figure 1.**
