

Design Improvement: 2022-2016 Jeep and Fiat CUV Front Stabilizer Bar Link

Brand	Supreme	Product	Stabilizer Bar Link	Date	February 2023
Part Number(s)	MS258128				

The OEM (PNs: 68246496AA/68246496AB/68246496AC) and other OE-style front stabilizer bar links for the applications below feature a lightweight plastic body and a non-greaseable plastic bearing, wherein the housing acts as the bearing surface.

Application(s)

- 2019-2016 Fiat 500X
- 2022-2017 Jeep Compass
- 2021-2015 Jeep Renegade

Mevotech Supreme front stabilizer bar link MS258128 is engineered with an improved solid steel design. This adds rigidity and strength to the assembly and reduces flex while the vehicle is in motion. The part features greaseable, self-lubricating upper and lower sintered bearings for extended service life and an increased ball pin diameter for optimized pressure distribution. Additionally, new hardware is included for a complete install. **See Figure 1.**
