

## Major Labor Saver™ - 2021-2015 Jeep and Fiat CUV Front Lower Ball Joint

Brand	Supreme	Product	Ball Joint	Date	November 2021
<b>Part Number(s)</b>	MS25548				

Depending on factory equipped suspension and ride control options (Firm Ride, Euro AWD Suspension, Sport Suspension, Firm Suspension or Standard Suspension), the applications below may utilize one of two different front lower ball joint to steering knuckle pinch bolt types.

The two different types are characterized by variations in their shank and thread length and are not interchangeable.

### Application(s)

- 2021-2016 Fiat 500x
- 2021-2017 Jeep Compass
- 2021-2015 Jeep Renegade

Mevotech Supreme replacement front lower ball joint MS25548 includes both applicable pinch bolt types as part of the hardware package to ensure compatibility. This facilitates a frustration-free install for the Professional Technician and presents more value in a repair option.

Additionally, the ball joint features a greaseable self-lubricating sintered bearing for increased part service life. Plus, all fastening hardware is anti-corrosion coated. **See Figure 1.**
